Canyon Creek Country Club
Tuesday, September 20, 2011

We invite you to participate in the **Herb's Paint & Body/ Down Syndrome Guild Golf Classic** on September 20, 2011, where 288 golfers are expected. Two separate golf tournaments with over 24 years combined successes continue partnering to raise funds that will allow the Down Syndrome Guild of Dallas to carry out their mission of providing accurate and current information, resources and support for people with Down syndrome, their families and the community. The Down Syndrome Guild of Dallas will be the beneficiary of all proceeds of the tournament, expanding their impact in the community.

This is an excellent opportunity to market your company while helping a worthy cause. Down syndrome is the leading cause of mental retardation in the world. The Down Syndrome Guild of Dallas is the only local non-profit organization exclusively dedicated to providing resources and support for people with Down syndrome, their families, and the community. Join with other community leaders by helping provide individuals and their families the best possible opportunities to succeed in life! Hole sponsorship opportunities are listed below. For more information or other sponsorship opportunities please contact Neely Holland at 214-267-1374.
