Linda Westrick with the PATH Project will help you to prepare for your child's ARD meeting and its process, and to outline and explain important elements of your child's IEP (Individual Education Plan).

In particular, you will learn about your rights as a partner in your child's education, about parental consent, about who must

be in attendance at the ARD, about important acronyms and definitions you need to know, and about much more.

Baylor/OCH Parent Support Workshops are **open to the public**, to parents & professionals, and are always at **NO CHARGE!**

Light **snacks & beverages** will be provided, but participants are asked to contribute a snack.

Also, **childcare** during the Workshops is provided at **NO CHARGE.** However, space is limited, so please **RSVP** early!

For more information, please contact OCH Social Worker, **Mitch Hill** at **972-444-0884 x242**
