

Elise Mitchell is an attorney at Disability Rights Texas. She works in the area of health care, specifically Medicaid, but also has lengthy experience in the area of Special Education law, having practiced in that area until 2016. Currently, Elise represents clients who have been denied essential Medicaid services such as private duty nursing care, access to waiver programs, and reduction of services to individuals aging out of children's Medicaid waiver programs. Elise has an adult daughter with Down syndrome.
